**Excursions**
This week is a big one for students going on their grade excursion. Year 6 are visiting Canberra and the snow for their four day excursion, while Year 3 will be spending the day at the Awabakal Environment Education Centre. Excursions are an important part of enhancing the learning that takes place in classrooms.

We want to wish all our dads, step dads, granddads and all the people who will be celebrated on Father’s Day a wonderful day. Thank you to the *Friends of Hamilton South* for organising the stall and to all the people who have wrapped presents. The stall will be held this Thursday. There will be some gifts available for the front office on Friday.

**MultiLit Program – More tutors Needed.**
At HSPS we run the *MultiLit program - Making Up for Lost Time in Literacy* program three - four mornings a week. We have a very enthusiastic group of tutors, including parents and grandparents, who come for an hour or two to work with students one-on-one to improve their literacy skills and knowledge. We are needing more tutors and hope that a call out in Noticeboard will help to attract interest. Mrs Walsh oversees the program and training is provided. If you would like to be involved please contact Mrs Walsh or the school office. The more tutors we have the more students can benefit from this fabulous program. Thank you.

NOTES TO BE RETURNED

• Absence Note – if your child has been absent from school, please either fill out a yellow note, email the school or do an absence note on skoolbag. Departmental requirement states you have seven days to explain your child’s absence.

School hours 8:55am-3:00pm

Please note:-
Students need to be in their classroom by 8:55am.

SCHOOL ASSEMBLY

KW will be hosting the school assembly on Tuesday 27 August. The assembly starts at 2.10pm and is expected to run until around 2.50pm. Parents, carers and families are all invited to come along. Access via gate 3 in Kenrick Street only.

KINDERGARTEN AND SL EXCURSION

On Wednesday 11 September 2019 Kindergarten and SL will be going on an excursion to Oakvale Farm. Cost is $30 per student. Notes have been sent home. Payment is due by Thursday 5 September.

YEAR 1 & 2 EXCURSION

On Monday 16 September 2019 1H, 1S, 1W, 2K and 2P will be going on an excursion to the Hunter Valley Zoo at Nulkaba. Cost is $30 per student. Notes have been sent home. Payment is due by Wednesday 11 September 2019.

YEAR 4 BLUE MOUNTAINS EXCURSION

On Thursday 12 September Year 4 students will be going to the Blue Mountains on an excursion. Cost is $270 per student. Notes have been sent home. Payment is due by Thursday 5 September.
YEAR 6 CANBERRA EXCURSION
Students from our school will soon be undertaking an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia’s history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of $20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

KINDERGARTEN 2020 ENROLMENT
Parents of children starting Kindergarten next year can now bring in their child’s original birth certificate, immunisation record and proof of address. **We now require parents to bring in 100 points of proof of address.** Enrolment packs will be sent home next week.

Hamilton South Public School competed at the NSW State Robocup event at Sydney Olympic Park last Monday. Our school results were incredible taking out **First Place in Onstage** and **Third Place in Search and Rescue**!

Our four **Search and Rescue** teams competed so well, at the end of the five rounds we had every team in with a chance to make the finals! The boys, as a group, were such a strong force at the competition that another team accused the school that their programs were ‘too good’ to be developed by students. However, after a very tense meeting with the head judge inspecting our robots and looking through the boy’s code on their laptops, the judge was happy that it was the boys work and were allowed to continue in the competition. In the end we had Jack VE, Dylan B and Daniel S took out third place in the State! The other teams, consisting of Flynn O, James S, Al J, Noah Parkinson, Angus H, Toby A, Joe C and Bryce F, should be so proud of how competitive they were for the whole competition.

Our **Onstage** team had a lot to live up to being the current National Champions and they did not disappoint! The team consisting of Naomi D, Jessica D, Sarbella P and Beth D, had two flawless
displays and from all accounts blew the judges away with their coding knowledge! They took first place and already have their eyes firmly set on National Championships in the upcoming holidays in Melbourne.

Thanks again to the many parents who came down and supported the teams. Without your ongoing support our robotics program could not be as strong as it currently is. Many thanks again to Jason and his family for all their support with our school robotics program, which is the envy of a lot of schools.

Congratulations again to everyone who competed!

SURVEY TIME
Over the next month we are conducting the “Tell Them From Me” survey. This survey covers a wide range of school life areas and provides us valuable information. Whilst we understand that surveys do take time, it is one of the many ways that we gather feedback and use it to inform our decisions for the future of our school. We urge families to please take the time to complete them so that we receive valuable and reliable data. Your assistance would be greatly appreciated.

GARDEN POTS NEEDED
If anyone has some unwanted black pots that plants are sold in could they please bring them to the school office. All sizes are needed.
Our year 4 students had the opportunity to test their skills and also learn new ones in an exciting, fast paced modified version of cricket. Competing against one other school and also playing against each other. There was some great skills on show as well as great sportsmanship shown by all students. We had excellent weather on the day and the students had a fantastic time.

WHAT SHOULD I DO WHEN OTHER PEOPLE POST PICTURES OF MY CHILD ONLINE WITHOUT ASKING ME FIRST?

Sharing photos online has become such common practice that most people don't think twice before posting pictures of their kids - and yours - on social media sites. Unless the photo violates the social media site's terms of service, though, there's not a lot you can do to get the photo taken down. You can't, for example, call or email Facebook and request that the photo be deleted. Every family has different rules about posting kids' photos. Unfortunately, when people who see no issue with posting kids' photos post your kid's picture, it amounts to them making a decision to make your kid's image public, which can be frustrating. Don't assume everyone feels the same way about social media. Just be honest that it makes you uncomfortable. The bottom line is: If you don't want pictures of your kids shared, it's up to you to let people know.

Here are some ways to approach others who post pictures of your kids that go against your wishes:

- Simply, without judgment, ask the person who posted it to delete it, or crop it so your kid isn't in the picture (easy to do with today's image-editing tools). Say, "I'm not ready for this yet."
- Ask the poster not to tag the photo with names - and definitely not location. That will limit exposure.
- Ask the poster what his or her privacy settings are. If their profile is private and not public, only their friends can view their images which limits the audience for your child's photo.
- If you're OK with a photo but only want certain people to see it, ask the poster to enable settings that limit who can see the photo to a small circle.
- Ask the poster to instead use a private photo-sharing site that requires a log-in.
- If you meet with resistance, explain that you're worried about your kid's privacy. Once a photo is online, anyone can share it.

CHOIR:
Rehearsals for our new choir continued today. Miss Fawcett and Mrs Shand were on deck at 8:15am for our second rehearsal. We have had such a HUGE response to our newest ensemble that we have decided to stop taking any more enrolments. We reached 60 participants this week. If you missed out but are still interested in joining bring your note in to Mrs Bell and we will add you to the wait list for Term 4.

BAND:
2 notes went home last week for Concert Band. The first of these is our Conservatorium Band Day. We will be heading back to the Conservatorium on Wednesday September 4. We will be working on some of our pieces for Bandfest next term as well as recording a 360 degree video!

The second note was in relation to our invitation to perform at the Hamilton Child Care Centre Movie Night FUNdraiser on Saturday September 21 at Gregson Park. Participation in this event relies on enough of our students being able to take part. Just like in other team sports and activities - we can’t take the field without a full team!

Training Band and RockOn will also be heading back to the Conservatorium later in the term. Notes will be coming home this week.

I also received an invitation for our Concert Band to participate in Music Count Us In at Lambton High School. This activity will take place in Term 4.

I have noticed that we have a number of students not arriving at morning rehearsals on time. Concert Band students were still arriving at 8:15am last week. Rehearsals start at 8:00am for both Concert Band and Training Band. We have 5 weeks to prepare for our Bandfest Competition and we need to make every rehearsal count. Please make sure that you are set up and ready to play at 8:00am.

Just a reminder to our Flute students that there will be no lessons for the next 2 weeks. Elise will do her best to make up for lost lessons when she returns in Week 8 and the Conservatorium will be adjusting their invoices accordingly. I know that Paul and Janelle will be doing their best in the coming weeks to make up for any lessons that have been missed due to the Athletics Carnival, Friends Day Celebrations and the Year 6 Canberra excursion. Please let them know if your child is going to be absent so they can make appropriate changes to their teaching timetables as well as possibly start making up a few of these missed lessons.

Some instruments have been left in the hall over the weekend. It is important that band members pick up their instruments after school and take them home. If instruments need to stay at school overnight due to lessons etc. it is the students responsibility to make sure they have been locked safely in the instrument storeroom. Our school hall is rented by outside groups after school and on weekends for other events. As part of our rental agreements the families take on the responsibility of looking after the instrument and replacement costs if necessary.

ROCKON:
RockOn will be continuing as normal this week. Meet Dan in the hall after school on Tuesday. Instruments can be left in the music/chair storeroom on Tuesdays.
Also a reminder from the office that Term 2 band fees should now be paid in full. Term 3 invoices will be sent out Week 6 for all bands and choir. In school lessons are invoiced from the Conservatorium of Music. Please speak to your tutor or contact the Conservatorium directly on (02) 4921 8900 if you have any questions about your lesson fees.

As always if you have any questions, queries or comments please send me an email at nadine.bell6@det.nsw.edu.au

Thanks

Did you know?

Only 5% of children in NSW consume the recommended daily serves of vegetables? Kids aged 5-13 should be eating 4.5 to 5.5 serves of vegetables each day.

What is a serve?

![Vegetable icons](source: www.eatforhealth.gov.au)

How can I get my kids to eat more vegetables?

- Involve your children in grocery shopping and meal preparation.
- Add easy to eat vegetables to the lunchbox.

- Make it fun! Try making vegetable skewers or create funny faces out of vegetables.
- Keep trying, serve vegetables in different ways to see how they like to eat them.
- Be a good role model and eat plenty of vegetables in front of your kids.
