This declaration must be completed by **volunteers** and **non child-related contractors** seeking engagement with the Department of Education (the Department) where the person is exempt under the Child Protection (Working with Children) Regulation 2013 from having to hold a Working with Children Check clearance. The declaration applies to:

- 'exempt' volunteers who are parents or close relatives of a child at the school at which they are volunteering. This includes day to day reading helpers, canteen helpers and other volunteers who are a parent or close relative.
- 'exempt' volunteers who are under 18 years of age.
- non child-related contractors who are contractors hired by the school or P&C Association to perform maintenance services or other additional services, where the work will not ordinarily involve contact with children for extended periods (for example, tree lopping, electrical testing, annual maintenance of fire extinguishers).

Persons in these categories of 'workers' do not need a WWCC clearance number and should not be established on the Department's electronic record of eCPC.

This declaration does not apply to contractors employed in the Assisted School Travel Program or through the Department's facilities maintenance programs. They are screened by other sections of the Department.

See the Department's [Working with Children Check Procedure](#) for more details.
